

Students: How to View Reports In LearningSpace

USE THIS BROWSER

Use Chrome browser and go to <https://www.dmu.edu/simulation-center/learningspace/>

- This will open the Simulation Center Testing Page
- Locate the purple LearningSpace button and click on it to take you to the sign-in page

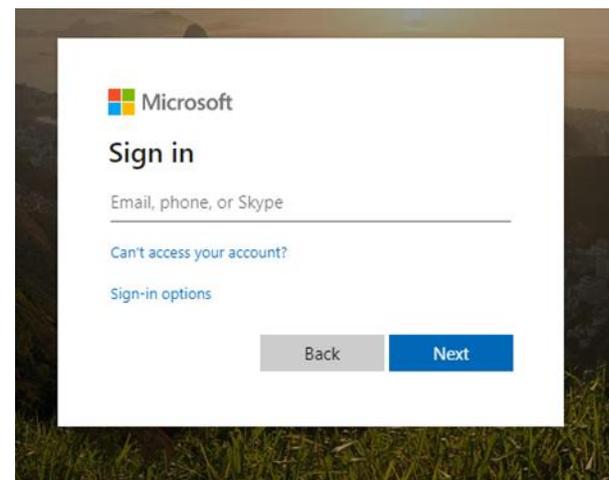

ADDITIONAL INFORMATION

You will be prompted to log into Office 365

- Use your DMU provided credentials (Name@student.dmu.edu) and password

If you have problems with your DMU credentials- contact DMU ITS

KNOW THIS INFORMATION

The following information will be needed to complete an assesement:

- Activity name (College graduation year course testing subject department testing in {SPAL, SIM, etc.})

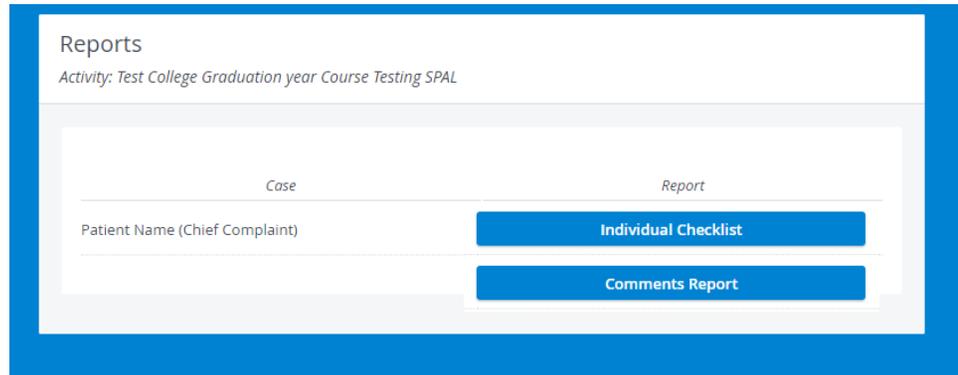

Finding Reports

DATA ENTRY SELF EVALUATION **REPORTS**

On the LearnaingSpace dashboard:

1. Click the **Reports** button next to the activity name

2. Click on the blue **Individual Checklist** button to see SP scores and comments, breakdown of Post Encounter scores, observing clinician (FON) scores and comments, self-evaluation scores and comments, and any other evaluations that may have been completed for the testing activity. What evaluations are filled out and what is scored varies by testing events. See information from course about what is included.
3. Click on the blue **Comments Report** button to see Post Encounter overall scores for each section and clinician comments.

Comment: Giving positive and/or needs improvement comments for this area.

2. Non-Verbal Communication

Not Done/Weak Attempt

Notes:

<p>ND = Questions asked & information provided were confusing. Used medical terminology without defining. Did not speak at appropriate volume or pace throughout exam. Did not use open-ended questions. Used many leading and stacked questions.</p><p>A = Occasionally used medical terminology without defining. Spoke at an appropriate volume or pace throughout some of the exam. More open-ended questions could have been asked. Some leading questions present. Occasionally used stacked questions. Occasionally used repetitive words/phrases.</p><p>P = Questions asked and information provided were easily understandable, any medical terminology used was defined without requesting. Spoke at an appropriate volume and pace throughout entire exam. Open-ended questioning utilized with no use of leading or stacked questions. Did not use repetitive words/phrases.</p>

1. The upper corner will have the name of the activity, patient name, and your name
2. You will see the name for the type of evaluation you are about to look at (SP = Standardized Patient completed, FON = Clinician outside window completed, etc)
3. The question will have any instructions the grader was given showing in the “notes” box
4. The answer the grader selected will have an X next to it
5. **Comment:** These are comments the grader gave you for that item
