

**Foot and Ankle Surgery Symposium
Des Moines University, Des Moines, IA
April 27 – 28, 2012**

Faculty

Eric Barp, D.P.M., FACFAS

The Iowa Clinic, West Des Moines, IA

Dr. Barp earned his Doctor of Podiatric Medicine degree from Des Moines University and completed his residency at Broadlawns Medical Center, Des Moines, where he was chief resident, 2002-2003. He is board-certified in rearfoot reconstructive and ankle surgery and in foot surgery and is a diplomat of the American Board of Podiatric Surgery.

In 2005, he was chairman of the Membership Committee of the American College of Foot and Ankle Surgeons and manuscript reviewer for the Journal of Foot and Ankle Surgery, trauma section. Dr. Barp is a board member of the State Board of Podiatric Medical Examiners, which is a governor-appointed position, and adjunct assistant professor in Des Moines University's College of Podiatric Medicine and Surgery. He is also a member of the American College of Foot and Ankle Surgeons. Dr. Barp practices with The Iowa Clinic in Des Moines.

Donna Bahls, M.D.

Capitol Orthopaedics and Sports Medicine, West Des Moines, IA

Dr. Bahls received her medical degree from the University of Iowa. She completed her Physical Medicine and Rehabilitation residency at the University of Washington in Seattle, WA. She is board certified in Physical Medicine and Rehabilitation and in the American Association of Electromyography and Electro diagnosis.

Professional affiliations include: American Association of Electromyography and Electrodiagnosis, Iowa Physiatry Association, American Board of Independent Examiners, American Academy of Disability Evaluating Physicians, Iowa Medical Society, and Polk County Medical Society.

Dr. Bahls practiced in Everett, WA, before moving to Des Moines, IA in 1990.

Michelle Butterworth, D.P.M., FACFAS

Pee Dee Foot Center, Kingstree, SC

- Doctor of Podiatric Medicine: Pennsylvania College of Podiatric Medicine, Philadelphia, PA
- Residency: University of Pennsylvania Health System/Presbyterian Medical Center, Philadelphia, PA

Don Buddecke, D.P.M., FACFAS

Foot and Ankle Specialists, Bellevue, NE

A native Nebraskan, Dr. Buddecke grew up in Kimball. He received his doctorate in Podiatric Medicine from Des Moines University in Des Moines, Iowa in 1998. He completed four years of postgraduate hospital-based surgical training at Broadlawns Medical Center in Des Moines. This surgical training included additional fellowship training in foot and ankle trauma and reconstruction. This included overseas training in advanced deformity correction with pediatric orthopedic surgeons at the Orthopaedic Hospital - Speising in Vienna, Austria.

Dr. Buddecke is board certified by the American Board of Podiatric Surgery in foot surgery and reconstructive rearfoot and ankle surgery. He is a member of both the Nebraska and Iowa Podiatric Medical Societies and the American Podiatric Medical Association. He is also a member and very involved with the American College of Foot & Ankle Surgeons.

Prior to coming to Omaha in 2006, Dr. Buddecke was in private practice in Ottumwa, Iowa for four years. He is proud of his Nebraska heritage and the values he learned while growing up in rural Nebraska. He takes a special interest in all of his patients and his goal with every patient is to alleviate the problem as quickly as possible using the most conservative measures. If surgery is necessary, he has the training and experience to handle even the most complex problems. He truly enjoys getting to know his patients on a personal level.

D. Martin Chaney, D.P.M., MS, FACFAS

Family Foot Care, San Antonio, TX

- Doctor of Podiatric Medicine: Des Moines University, Des Moines, IA
- Master of Science, Health Care Administration: Des Moines University, Des Moines, IA
- Residency: West Houston Medical Center, Houston, TX
- Fellowship: Reconstructive Foot and Ankle Surgery, West Houston Medical Center, Houston, TX

Jill Frerichs, D.P.M., FACFAS

Capital Orthopaedics and Sports Medicine, West Des Moines, IA

Dr. Jill Frerichs is a native of Hinton, Iowa. She attended the University of Iowa & subsequently earned her Doctor of Podiatric Medicine (DPM) degree at Des Moines University in 2001. Dr. Frerichs completed a three year foot and ankle surgical residency at Grant Medical Center in Columbus, Ohio.

Prior to joining Capital Orthopaedics in September 2011, Dr. Frerichs served as an assistant professor of podiatric surgery at Des Moines University for five years. She is board certified in both foot surgery and reconstructive rear foot and ankle surgery by the American Board of Podiatric Surgery.

Dr. Frerichs specializes in foot and ankle reconstruction, ankle arthroscopy and foot and ankle injuries. Dr. Frerichs has office locations in Clive, Ankeny, Knoxville, Pella, Mt. Ayr and Leon. She enjoys spending time with her husband and two children, participating in outdoor activities and running.

Katherine Frush, D.P.M., AACFAS

Des Moines University, Des Moines, IA

- Doctor of Podiatric Medicine: Des Moines University, Des Moines, IA

Michael S. Lee, D.P.M., FACFAS

Capital Orthopaedics and Sports Medicine, Des Moines, IA

Dr. Lee indicated he is a self managed stock holder in [Mondeal](#).

Dr. Michael Lee was born and raised in Clarinda, Iowa. He attended the University of Northern Iowa where he majored in Biology. Dr. Lee earned his Doctor of Podiatric Medicine (DPM) degree at Des Moines University. He then completed a three year foot and ankle surgical residency at the Western Pennsylvania Hospital in Pittsburgh, PA. His training in Pittsburgh focused on adult reconstruction of the foot and ankle, trauma, and sports injuries.

Dr. Lee has been in practice in central Iowa for 10 years. He is board certified in both foot surgery and reconstructive rearfoot and ankle surgery by the American Board of Podiatric Surgery. He has authored numerous papers and chapters regarding foot and ankle surgery. He also regularly speaks at regional, national, and international scientific meetings. Dr. Lee is currently president-elect of the American College of Foot and Ankle Surgeons (ACFAS), the scientific organization for over 6,000 podiatric foot and ankle surgeons in North America.

He specializes in reconstruction of the foot and ankle, ankle arthroscopy, and foot and ankle injuries/trauma. Dr. Lee currently has office locations in Clive (Westlakes Campus and Mercy West), Mercy North in Ankeny, Mercy South, and Iowa Falls.
